Asian Studies Course List: Fall 2016 Offerings

All courses on this list count toward the credit-hour requirements for the major and the various minors within the Asian Studies Program. Their eligibility for specific requirements within the major and minors is indicated by the following codes:

China Concentration = CC  
Japan Concentration = JC  
Asian Perspectives = AP  
History Survey Course = HS  
Humanities Course = HU  
Social Science Course = SS

Any given course may be applied to only one category of requirement even if it may be eligible for more than one. Courses marked with an * require approval from the Asian Studies Program Director or Director of Undergraduate Studies.
