1. Education

North Carolina State University, Raleigh, NC

Ph.d., Economics, Statistics (minor), 1978

Dissertation: "The Effect of Child Mortality on the Quantity and Quality of Children in Guatemala"

Advisor: Thomas Johnson

North Carolina State University, Raleigh, NC

Master of Economics, 1974

University of Kentucky, Lexington, KY

Bachelor of Arts, Economics, 1972

2. Employment History

Vanderbilt University, Nashville, TN

Professor, 2006 to present, Department of Economics

Director, Graduate Program in Economic Development, 2016 to present

Director of Graduate Studies, 2006-2011, Ph.D. Program in Law and Economics

Associate Professor, 1986-2006, Department of Economics

Director of Public Policy Studies Program, 2003-2009

Director of Graduate Studies, 2002-2003, Department of Political Science

Director, Graduate Program in Economic Development, 1993-1999

Assistant Professor, 1980-1986, Department of Economics

Senior Research Scholar, University of Central Asia, Institute for Public Policy and Administration, Bishkek, Kyrgyz Republic, 2009 to present

Senior Research Fellow, CASE (Center for Social and Economic Research), Warsaw, Poland, 2010 to present

Research Fellow, IZA (Institute for the Study of Labor), Bonn, Germany, 2011 to present

Visiting Scholar, Stockholm International Peace Research Institute (SIPRI), Stockholm, Sweden, August-September 2014.

Visiting Scholar, University of Central Asia, Bishkek, Kyrgyz Republic, 2009: Fulbright Research Scholar.

Visiting Professor, University of Adelaide, Adelaide, SA, Australia, 1999.

Yale University, New Haven, CT

Post-doctoral fellow, 1979-1980, Economic Growth Center

NICHD Post-doctoral grant #1-F32-H00587-01

3. Publications and Unpublished Manuscripts

a. Books:

Kathryn H. Anderson and Richard Pomfret. Consequences of Creating a Market Economy: Evidence from Household Surveys in Central Asia. Cheltenham, UK: Edward Elgar Press, 2003.

b. Articles in refereed journals:

4. Research Grants External to Vanderbilt

- Department of Health and Human Services, No. 110A-83, 1983-1984, *Low Wage Labor Markets and Job Stability*, (Principal Investigator; J.S. Butler and Frank Sloan, co-investigators), \$75,234
- Department of Health and Human Services, Public Health Service, No. 13-P-10020-4, 1992-1993, *Reducing Disability in Mentally Ill SSI/SSDI Applicants*, (Co-investigator with Leonard Bickman, J.S. Butler; and Samuel D. Okpaku (Principal Investigator), \$428,461.
- Tennessee State Planning Office, Contract #GR896090, Job Training Partnership Act Program for Tennessee, (Investigator on large research team, Vanderbilt Institute for Public Policy Studies; Cliff Russell, Tim Smeeding and May Shayne, Principal Investigators)
- National Institute for Child Health and Development, No. R03 HD45547-01A1, 2004-2006 (Co-investigator with James Foster, Principal Investigator), *Investing in Health: the Long-Term Impact of Head Start*, \$150,000
- National Council for Eastern European and Eurasian Research, 2005-2007, (Principal Investigator; Charles Becker, Duke University, Co-investigator), *Demographic and Economic Change in Kazakhstan and the Kyrgyz Republic, 1993-Present*, \$20,000
- Maternal and Child Health, Department of Health and Human Services, 2007-2008, (Co-investigator with Jean M. Mitchell, Georgetown University), *School Breakfast Program and Children's Nutritional Status*, \$100,000.
- Fulbright Research Scholar, February-July 2009. Sponsored by University of Central Asia, Bishkek, Kyrgyz Republic, *Economic Development and the Diaspora in Central Asia*.
- IZA/DFID Growth in Labour Markets in Low Income Countries Program Consortium Grant, February 2013- 2015. Managed through the Stockholm International Peace Research Institute, Tilman Bruck as Principal Investigator. Consortium partner.
- Consulting contracts with: World Bank, Asian Development Bank, USAID (through USAID, Aguirre International, and IMCC), Open Society Institute, United Nations; Georgetown University, Public Policy Institute; Tennessee State University; Health Policy Center; Oak Ridge Institute for Science and Education; University of Central Asia, Institute for Policy and Public Administration; PACT, Bishkek, Kyrgyz Republic; Rakurs, Almaty, Kazakhstan; CASE, Warsaw, Poland; American University, Tien Shan Policy Center, Bishkek, Kyrgyz Republic

5. Conference Presentations

- “Effect of Child Mortality on the Quantity and Quality of Children in Guatemala,” April 1978, Population Association of America, Atlanta, GA.
- “Age at Marriage in Malaysia,” March 1981, Population Association of America.
- “The Effect of Mandatory Retirement on Mortality,” November 1981, Southern Economic Association.
- “The Effect of Health Programs on Breastfeeding and Child Mortality in Malaysia,” March 1982, Midwest Economic Association.

“Why do Workers Retire? A Rational Expectations Model of the Difference Between Actual and Expected Retirement” (with R. V. Burkhauser and J. F. Quinn), November 1982, Southern Economic Association.

“The Interaction of Retirement and Health” (with R. Burkhauser), December 1982, Econometrics Society.

“Labor Market Segmentation: A Cluster Analysis of Job Groupings and Barriers to Entry” (with J. S. Butler), November 1984, Southern Economic Association.

“Work After Retirement: A Hazard Model of Labor Market Reentry” (with R. V. Burkhauser and J. S. Butler), December 1984, Econometrics Society.

“Work and Health: A Bivariate Hazard Model with Correlated Heterogeneity Components” (with R. V. Burkhauser and J. S. Butler), August 1985, American Statistical Association.

“Mental Health and the Labor Force Decision of Older Workers” (with J. M. Mitchell), 1988 NIMH Conference, Asilomar Conference Center, CA.

“Mental Health and the Labor Force Decision of Older Workers” (with J. M. Mitchell), 1988, Eastern Economic Association.

“The Impact of Depression and Alcohol and Drug Abuse on Marital Dissolution: A MIMIC Model” (with J. M. Mitchell, J. S. Butler, and D. Haas-Wilson), November 1988, Southern Economic Association.

“Work and Health After Retirement: A Competing Risks Model With Semiparametric Unobserved Heterogeneity” (with R. V. Burkhauser and J. S. Butler), December 1988, Econometrics Society.

“The Job Training Partnership Act in Tennessee: An Analysis of Creaming and Program Participation” (with R. V. Burkhauser and J. Raymond), December 1989, Econometrics Society.

“The Effect of Military Service on Mental Health Disabilities: Direct and Indirect Consequences” (with J. M. Mitchell), 1990, Population Association of America.

“Analysis of Retirement and Labor Market Reentry in the United States, 1985-1987,” November 1990, Southern Economic Association.

“The Effectiveness of Vocational Intervention on the Work Behavior of Mentally Impaired Applicants for SSDI: Parametric and Semi-Parametric Analysis” (with J. S. Butler), January 1990, Econometrics Society.

“Work After Retirement: Evidence from the Panel Study of Income Dynamics” (with R. V. Burkhauser and G. Slotsve), 1991, European Population Association, Pisa, Italy.

“Work After Retirement: Evidence from the Panel Study of Income Dynamics” (with R. V. Burkhauser and G. Slotsve), 1991 Conference on Longitudinal Data Analysis with the PSID, Stanford, CA.

“A Two Decade Comparison of Work After Retirement in the United States” (with G. Slotsve and R.V. Burkhauser), November 1991, Southern Economic Association.

“Occupational Selection and Anti-Social Behavior” (with J.M. Mitchell), January 1992, Econometrics Society.

“The Effect of Deviance in Adolescence on the Choice and Characteristics of Jobs” (with J. S. Butler and J.M. Mitchell), January 1993, Econometrics Society.

“Estimates of the Direct Medical Costs and Utilization of Services for Infants, Children, and Adults with HIV-Related Illnesses: New Evidence from the Florida Medicaid Program” (with J. M. Mitchell), April 1993, Population Association of America, Cincinnati, Ohio.

“Feedback Effects of the Labor Market on Schooling Choice in Malaysia” (with Y. Wang and E. King), April 1993, Population Association of America, Cincinnati, Ohio.

“Labor Force Participation of Secondary Workers in Argentina, 1980-1992” (with S. Morley and H. Lee), November 1993, Southern Economics Association, New Orleans, LA.

“Labor Force Participation of Secondary Workers in Argentina, 1980-1992” (with S. Morley and H. Lee), June 1995, 2nd International Economics Congress, Argentina.

“Expenditures on Services for AIDS Patients Under a Medicaid Home and Community-Based Waiver Program” (with J. M. Mitchell), January 1994, Econometrics Society.

“Expenditures on Services for AIDS Patients Under a Medicaid Home and Community-Based Waiver Program” (with J. M. Mitchell), November 1994, Southern Economic Association.

“Adoption of Innovations in Higher Education” (with J. J. Siegfried and M. Getz), November 1994, Southern Economics Association, Washington, DC.

“Average Derivative Estimation of the Union-Nonunion Wage Differential” (with G. Slotsve and J. S. Butler), January 1995, Econometrics Society, Washington, DC.

“Effect of Day Care on Child Nutrition” (with J. M. Mitchell), April 1995, Population Association of America.

“Gender and Teaching Effectiveness” (with J. J. Siegfried), November 1995, Southern Economic Association.

“Schooling and Market Returns in Malaysia” (with E. King and Y. Wang), November 1996, Southern Economic Association.

“Poverty and Transition in the Kyrgyz Republic, 1993-1996” (with R. Pomfret), Southern Economic Association, November 1998, Baltimore, MD.

“Transition and Poverty in Central Asia,” (with R. Pomfret), International Conference on Communist and Post-Communist Societies,” July 1998, Melbourne, Australia.

“Uzbekistan: Welfare Impact of Slow Transition,” (with R. Pomfret), September 1998, U.N. Conference on Transition, Beijing, China.

“Poverty and Transition in the Kyrgyz Republic, 1993-6” (with R. Pomfret), November 1998 Southern Economic Association.

“Poverty and Transition in the Kyrgyz Republic, 1993-6” (with R. Pomfret), January 1999, Association for Comparative Economic Studies.

“Differential Access in the Receipt of Antiretroviral Drugs for the Treatment of Aids and Its Implications for Survival” (with J. M. Mitchell), 1999, Population Association of America.

“Living Standards and Transition to a Market Economy: The Kyrgyz Republic in 1993 and 1996” (with R. Pomfret), August 1999, International Economics Association, Buenos Aires, Argentina.

“Evaluation of the Effect of a Medicaid Waiver on Survival and Treatment of Persons with AIDS” (with J. M. Mitchell), November 2000, Southern Economic Association, Washington, DC.
