First, Council recommends that the A&S faculty vote, by e-mail ballot, to rescind the AXLE version of Vanderbilt Visions and its associated two credits.

Second, Council recommends that a new procedure be established such that A&S departments and interdisciplinary programs must receive approval from the AXLE Implementation Committee to remove a course from AXLE (that is, to reclassify an existing course that counts toward an AXLE distribution requirement so that the course no longer counts toward a distribution requirement).
