Dear Colleague:

Please use this ballot to cast your vote on whether the AXLE version of Vanderbilt Visions should be rescinded. Last spring the AXLE Review Committee recommended that the AXLE version of Vanderbilt Visions be rescinded, and the A&S Faculty Council and the A&S faculty agreed with this recommendation and approved a motion to hold a referendum on this issue.

Please note: The AXLE version of Vanderbilt Visions and its associated two credits were approved in February 2004 by the A&S faculty as part of the new A&S curriculum. The A&S faculty has postponed its implementation three times and thus it has never been implemented. The AXLE version of Vanderbilt Visions is not the same program as the Vanderbilt Visions that is administered by The Commons.
